Name of Product: **ALLPROTECT Stair Kit**
Packing Slip Item Code: **APO S KIT**

Description

**ALLPROTECT
Stair Kit:
3 rolls plus Railing Wrap
wrapped into 2 packs**

**ALLPROTECT RED
Stair Kit:
3 rolls plus Railing Wrap
wrapped into 2 packs**

Kit includes three rolls of 24" widths, and a mini roll of 2.5" width.

2.5" width roll is perfect for wrapping hand rails and for small pieces on door frames.

24" width rolls are popular on stairs and hallways.

Simple Steps for Maximum Performance - **APPLY WITH SQUEEGEE FOR LONG-LASTING APPLICATION**

- ★ **Clean surface first with mild cleaner**

Remove any moisture or debris to prevent sticking.

- ★ **Use squeegee to smooth out air bubbles when applying**

Long-lasting professional protection.

Simple Steps for Maximum Reusability - **VACUUM WHILE INSTALLED AND RE-ROLL WITH STICKY SIDE IN**

- ★ Vacuum surface while installed before removing.
- ★ Re-roll with adhesive side in to cover from debris.

Easily cut the large roll to any size width; band saw cuts through the padding and adhesive, result is like a factory cut edge.
